

## Colorado Family Church: August Local Highlights

Michael and Adonia Hentrich  
September 7, 2022

Dear family,

Wow! August was a packed month. We had an amazing family camp and much more happening behind the scenes. As always, we are grateful for the support of the community. We can only do so much by working altogether. Now we are excited to get into the school year and, of course, fall. Stay tuned for more exciting updates next month.

### Family Camp

Family Camp 2022 was a blast. We had a full house and made many wonderful memories and deeper bonds. Please enjoy the video above or photos, and a big thank you to everyone that came and helped out. [You can see photos here.](#)

### Date Night

This month our elders once again facilitated a wonderful date night experience for all the young families. A big thank you to everyone that worked together to make this possible.

### Parents' Matching Education

This month we held a Parents' Matching Education program, with the guidance of John Abelseth, Marjorie Buessing, and Peggy Yujiri. They shared resources and testimonies on how to we can successfully and wholesomely work together with our children and prepare them for a successful marriage and Blessing.

### **New Blog Post: Reflections On The 2022 Pastoral Internship**

We published a new article on some reflections on the 2022 pastoral internship we did in July. This includes some reflections from Alicia, as well as some of our own thoughts and lessons learned. Please take a look at the [link here](#).

### **Congratulations And Prayer Requests**

We are so excited to announce that baby Leon Tadanari Ichinohe was born on August 7 at 6:49pm. He weighed 8lbs and measured 21 inches. A big congratulations to Paul and Yuri and both of their families.

We are excited to welcome Paul and Johanna Bond, who recently moved to our community from the San

Francisco Bay Area! Welcome Paul and Johanna!

We'd like to extend a warm welcome to Riki Menning. Riki is spending a semester in our community to volunteer at Heartland Academy. He is very interested in alternative education methods, and he is also joining our CARP house during his time here. Welcome Riki!

### **Continued Renovations And Improvements**

This month we continued our focus on renovating the other upstairs apartment unit in preparation for a Ukrainian family that will be moving in at the end of September. We've finished updating most of the electrical wiring and fixtures, and painting and the bathroom rehab are both well underway. We have also begun collecting household furniture and supplies for the incoming family, and are so grateful to the outpouring of support for the community.

Through the Sunday services this month, we shared a variety of messages on a wide range of topics. If you missed any of them, you can find them all on our [Facebook page](#) and [Youtube channel](#). For quick reference, this month's recordings are below.
