Dear families,

We are looking forward to this year's Christmas party! It will take place this Sunday after lunch.

First, Santa will arrive and anyone who wants to will be able to talk with him and get pictures taken.

After Santa's visit, we will have various activities going on downstairs. One big event is the Christmas Baking Contest! Bring your favorite holiday dessert for everyone to sample, and prizes will be awarded to the top 3 desserts! Just be sure that your dessert does not include any nuts. Thank you!

There will also be several craft stations set up for kids to make special items that they can give as Christmas gifts. A few more volunteers are needed to help supervise, so please let Pastor Adonia know if you could help with a craft station.

We will see you then!
