

Colorado Family Church: New Year's Eve Opportunities

Michael and Adonia Hentrich
December 30, 2023

Dear family,

We wanted to let you know about some opportunities to help with transitioning well from 2023 to 2024. Last year, we opened up the church for prayers and burning our resolutions and reflections from the year and for a midnight prayer. The church will still be open for this, but it won't be structured like it was last year. Please feel free to use the chapel or prayer room, as they are always open and available to you. If you plan to come but do not have a code or key to enter, please let us know.

In addition, Family Federation International has invited everyone for a "2024 New Year Cheon Shim Won Special Devotional Prayer Vigil" on December 31, pm in Korea, which is Sunday, December 31, 4am local time. The program will conclude on January 1, 2014 at 1am in Korea, which is December 31, 9am local time.
