

Colorado Family Church: Two Events Hosted by Our Ukrainian Families

Michael and Adonia Hentrich
March 30, 2024

Dear family,

Our Ukrainian families will be hosting a couple events in the coming week that we wanted to let you know about. First, you will see in the flyer below that they will be hosting a fundraiser at church tomorrow. They will be selling Ukrainian Easter Bread during lunch. Proceeds will go to support the Ukrainian church families that are currently residing in Ukraine as they struggle to maintain a normal life and continue to be active in church activities and witnessing.

The flyer has a light blue and yellow background. At the top, it reads "TWO YEARS OF BRAVERY, RESILIENCE AND SOLIDARITY" in black capital letters. Below this, on the left, is a photo of a round Ukrainian Easter bread (paska) with white frosting and colorful sprinkles, next to several decorated Easter eggs. Above the photo is the hashtag "#SupportUkraine" and a small Ukrainian flag icon. To the right of the photo, the text says "FUNDRAISING IN SUPPORT OF UKRAINE WITH UKRAINIAN EASTER BREAD" in brown capital letters. At the bottom left, it says "MARCH 31, 2024 DURING SUNDAY SERVICE LUNCH" in brown capital letters. On the bottom right, there is another photo showing a sliced piece of the Easter bread on a green and white striped cloth, with more bread and eggs in the background.

The second event will be held on Sunday, April 7 after Sunday service. This will be a presentation and testimonies from our Ukrainian members about the visits that True Parents have made to Ukraine in the past and also the current situation there. There will also be a Q&A session. Please see the flyers for more details, and we hope to see you at both of these events.

Lastly, they have suggested that a good preparation for these events would be to watch the following documentaries.

This documentary gives deeper understanding of the Ukrainian spirit and desire for freedom which led to Revolution of Dignity after which Putin decided to annex Crimea and occupy Donbass. It happened 10 years ago in 2014 when war began for Ukraine and followed by full scale invasion in 2022. (Click on image to watch)

The Oscar which Ukraine wished it never won

The Ukrainian film 20 Days in Mariupol recently won an Oscar for its vivid depiction of Russia's aggression against the city. Set in the early weeks of the invasion, the documentary gives insight into the struggles and brutality faced by

Ukrainians to this very day. Ukrainian journalist Mstyslav Chernov(the movie director) and his colleagues risk their lives to document Russia's siege of Mariupol. “ I would give up all the recognition for Russia not killing tens of thousands of my fellow Ukrainians,” said Mstyslav Chernov while accepting the Oscar, the first in Ukrainian history.
