

## Colorado Family Church: Volunteers Needed for Summer Sunday School Classes

Michael and Adonia Hentrich  
June 1, 2024

Dear Family,

I hope this message finds you well! As summer approaches, we are planning some much-deserved rest for our dedicated Sunday School teachers who have worked tirelessly throughout the year. To make this possible, we are reaching out to our wonderful community for volunteers to teach our Sunday School classes during the summer months.

We believe that with your support, we can create a fun and engaging environment for our children, even while our regular teachers take a break. The primary goal is to keep the kids engaged and ensure they have a great time. We're not asking for much—just your willingness to guide them through simple crafts and activities that will make their summer Sundays memorable.

Here's what we need from you:

1. **Creativity with Crafts:** A simple craft activity for the children. It doesn't need to be elaborate; something easy and enjoyable will do just fine. A list of easy craft ideas will be linked to the sign up sheet and materials are available in the supplies closet.
2. **Engagement and Fun:** Ensure the kids are having fun and are engaged. The aim is to make their time at Sunday School something they look forward to.
3. **Time Commitment:** Offer your time for one or more Sundays over the summer. Even if you can only commit to one Sunday, it would be a tremendous help.

No prior teaching experience is required—just a heart for children and a willingness to help out. We will provide you with all the necessary materials and

support to make this a smooth and enjoyable experience for everyone involved.

If you are interested in volunteering, please sign up on the sheet linked here. If you have any questions or need more information, feel free to reach out to Mira directly ([mirabrad@gmail.com](mailto:mirabrad@gmail.com)).

Thank you for considering this opportunity to serve our church family. Your involvement will make a significant difference and allow our regular teachers to recharge and return in the fall, ready to continue their wonderful work.

Thank You!
