

## CIG Grace comes to Maidstone

Matthew Huish

May 19, 2017

Last Saturday, five families living in Maidstone and the Medway area gathered together to participate in these ceremonies, after having completed the required conditions.

The ceremonies were conducted with reverence and afterwards the families shared together a potluck dinner.

There is still enough time to participate in the holy wine ceremony and inherit the holy gifts of Cheon Il Guk before the anniversary of True Father's ascension on 7th September.

If you would like to receive the Cheon Il Guk holy wine and receive a box containing the holy, salt, wine and earth, please read here for more information and contact a local community leader for details about how to participate locally.
