August 16, 2018

This September, to kick off the new academic year right, we are inviting 18-25 students or otherwise to join us for a weekend of chill time and relevant content. The weekend is themed "Companions of Faith", and we will be focusing on spending quality time together in a meaningful way to be sustained throughout the academic year. The dates are 7th-9th September, in Livingstone House, with a cost of £50 per person. For more information, please message Carmel Mould, Soon Hee Lall or Kieran Hoyte on facebook, or email caramelmould@gmail.com. We hope as many of us from around Britain can come as possible! See you there!
