What makes your world pleasant to live in? You may or may not be aware that it is in fact art and design made with love which does so. A great practitioner of this 'art of heart' is Chris Bennett who organised and supervised a wonderful Art Exhibition at this years' Annual Festival held at Cleeve House on August 25th.

The UK Blessed Family Department sponsored a competition this year which we hope to continue every year to encourage and celebrate creativity in art.

First Prize of £50 was awarded to Mr. Kensei Thomas with this stunning digital work.
