The HARP committee would like to invite you to join us this winter on the UK HARP workshop! This winter we will gather in the beautiful Livingston house for 6 days of great experiences, great Content from elder brothers and sisters and great company.

Have you ever asked yourself; Where do I come from? What is the history of my lineage? Where does religion come from? How was the Unification Movement established, and for what purpose? Who are the True Parents? What is the significance of the Blessing? What are the foundations of UK HARP?

We are all born of the same love, life, and lineage of God and True Parents. Each of us is the fruit of our ancestors' and parents' investment. These deeply embedded roots reveal the core of our identity. To know our life's destination and how to get there, we need to know our true Origin.

This HARP UK Winter Workshop we will explore our 'Origins', understand more deeply where we come from and how we can move forward as a Individuals and as a community.
