On February 4, 2018, we held the inauguration ceremony for Youth and Students for Peace (YSP) of Greater China region and Taiwan. 300 participants including main leaders, AFP, CARP and Seonghwa students and blessed families attend this event.

The new YSP president of GCR and Taiwan, Mr. Hsin-Yu Huang graduated from National Taiwan University and has a great experience of CARP activities, MFT and oversea training and church ministry. The vice president Mrs. Jo-ching Teng and Secretary-General Mr. Chieh-jung Tsai also are CARP center leaders, so we believe YSP Greater china and Taiwan will cooperate with CARP and seonghwa students and youth to activate the witnessing and development of young people in Taiwan.

The Director of Second Gen. Dept. Mrs. Wang and one Seonghwa University student gave the testimony of Winter Seonghwa Workshop for two weeks. Seonghwa students' congratulation performance truly touched participants' heart. The address of YSP President Mr. Huang and Regional President Rev.
