We together with Filial Piety Association, hold a Heavenly Tribal Messiah blessing on July 7 at Hsin Kwong Restaurant, Hong Kong. We had 200 participants including Hon. Choy So Yuk, Deputy of National People's Congress.

This program was organized as a Heavenly Tribal Messiah Blessing event. Ms. Eve Lau served as the MC, introducing and explaining the meaning of the holy water, holy wine, and indemnity ceremonies. The Benediction was offered by Mr. and Mrs. Michael Wai, a Hong Kong couple from the 6,000 couples Blessing. About 60 couples were blessed, including one visiting couple from Taiwan.

The ceremony was followed by a Hong Kong style "afternoon tea," featuring dim-sum. Thanks to the complete support of Hon. Choy So Yuk, everyone participated fully and joyfully. Following this success, we are able to promote the Blessing as a community activity and, with the support of other community leaders, we have already scheduled six additional events for this summer.
