Dear brothers and sisters,

Thank you for your attendance to Heavenly Parent and True Parents. We truly live in an amazing time! True Parents are with us and the Kingdom of God is at hand! We have just begun the New Year and already we find ourselves on the 21st day of January. The clock is ticking and time seems to be moving at double speed. February is around the corner, and every moment is precious. I hear Mother's voice saying to me, "It is not to be wasted."

Last week our national and sub-regional directors met and decided to invite True Mother to speak in each of our sub-regions in 2019. I understand that this is no small task. After praying about it, I felt that in Sub-Region 4 (SR4) the best place to invite True Mother would be Las Vegas. I first consulted with the Vegas leadership team and they agreed. We decided to set the date to invite True Mother for Saturday, June 22nd.

I would like to ask you to join me in setting a condition of sincere devotion so we can build a strong foundation for this undertaking. We want to receive our True Mother victoriously, with an abounding spirit of unity and renewed energy. Would you join me for the next 150 days in a daily 10-minute prayer for that purpose? It will start January 23rd and continue until June 21, 2019. That amounts to three periods of 40 days (120 days), followed by a final 30-day period.

These are the prayer points of the condition:

For the health and well-being of True Mother; for her safe travel and protection.

For the Will of Heaven to be done in America! That the minds, hearts and decisions of national and local political and spiritual leaders be open to the guidance of Heaven.

For unity in our SR4 to joyfully and proudly welcome the Only Begotten Daughter of God.

For breakthrough in all our outreach efforts, expanding the environment for witnessing, i.e. Tribal Messiahship, Clergy and Peace Ambassadors; and to find the most prepared persons who can receive True Parents and the Blessing.

To increase our foundation in SR4 and throughout America.

For a revival to take place in our families throughout SR 4.

For our Las Vegas members and their victory in that location! That we can bring joy to God and True Parents.
