

American Clergy Leadership Conference

"Rebuild the Family, Restore the Community and Renew the Nation and the World"

1710 W Airport Freeway ~ Irving, Texas 75062

Dear friend in faith,

Peace and Blessings to you and your family from the American Clergy Leadership Conference Southwest Region, as we begin this new year with expectations for a healthier one.

I would like to invite you to join us for the **"Restoring America Through the Blessing"** program. We are calling Pastors and their spouses to stand together, calling upon God to Heal our nation! Last year America fell into violence and despair. COVID19 struck us with a terrible force and still has our nation in its grips, and no one knows when the end is in sight. Family breakdown has been further exacerbated by polarizing politics such that sons have become pitted against their fathers and mothers against their daughters. We need answers from God to protect our families from the devil.

Together, with hearts humbled to Heaven, we are stronger! I believe it is the Pastors of America that are called to usher in a new spiritual awakening that will restore the family and our nation back to God! Will you answer the call? I am looking forward to standing with you, to return America back to God! Only together, centered on Heavens' Will, modeling True Love can we restore this Nation. If we align ourselves with God, His Providence, and His Will, we can right our nation and save this world.

The program, **"Restoring America Through the Blessing"**, is a two-part program consisting of **"new wine"** presentations and discussions on how we can bring God back into American families. We must be honest. Our marriages have room to improve! God really wants to dwell in our midst. Jesus wants to revive our conjugal union so that true revival can break out in the church and nation! Needless to say, this program is designed for couples, so please join with your spouse. I'm certain you will both find it worthwhile!

It will be from Friday, January 22 at 7:00PM-9:00PM CST and will continue January 23 at the same time.

You are encouraged to be early and join the zoom call or attend in person at:
