A Hyojeong CheonBo Special 3-Day Workshop for the United States Southeast Region was held from February 21-23, at The Washington Times building in Washington D.C., with 155 blessed family members in attendance.

This workshop became an opportunity to inherit the heavenly heart while offering gratitude for the love and grace of Heavenly Parent and True Parents, along with education about the CheonBo providence.

Under the guidance of key ministry leader Ryuichi Kishimoto, a spiritual separation ceremony calling on Dae-mo nim, Hyo Jin nim, and Heung Jin nim was conducted, along with a unison resonating prayer resolving to embody Hyojeong. Participants also shared time learning about the Chung Pyung providence, faith experiences, and the power of spiritual dedication.
