Dear Special Donor (personalized),

Thank you for your inquiry concerning the silver, gold, and platinum designations established to recognize special donors to the 90<sup>th</sup> Birthday Commemorative Fund. The support of special donors like you will help us to honor True Parents with the most wonderful birthday celebration we've ever had.

True Father's 90<sup>th</sup> birthday marks a time of change and new beginning. Our True Parents' course is not only their own dispensational victory, but it's also God's victorious course. True Parent's greatest desire is that God will be given the greatest honor and joy from the 90<sup>th</sup> birthday commemoration. True Family are guiding the preparations in Korea and around the world and we are honored that Rev. In Jin Moon and Dr. Hyun Jin Moon are Co-Chairing the 90<sup>th</sup> Birthday Commemorative Committee in the USA. Our chairwoman, Rev. In Jin Moon, has been appointed by our True Parents to chair the FFWPU of America to fulfill Father's expectation of the elder son nation and the second Israel. She has sincerely touched our blessed central families with True Parents love and is inspiring all generations to come together to celebrate and express our love, our profound gratitude, and our passionate hearts to honor God for giving our True Parents to humankind. We should celebrate because True Parents victory is our victory. We are one family.

As a platinum, silver or gold donor, your business or family is making an extra investment of attendance to ensure that this 90<sup>th</sup> birthday celebration will move God's heart. Father expressed that his deepest concern for the birthday is not how he is honored; for he is not concerned about himself. He is concerned about whether we can truly bring God the honor that He deserves after creating the heavenly lineage out of the darkness, and preserving and developing True Family for three generations, and especially the miracle of preserving True Father's life for 90 years, in light of the helicopter accident in the eighth year of Cheon Il Guk.

As a special donor, your business or your family will be listed for posterity in the Commemorative 90<sup>th</sup> Birthday booklet. In Jin Nim is emphasizing giving from the heart, rather than from duty or direction. Your response to this special donor request is a substantial demonstration that you resonate with the heart of True Parents and True Family to honor God on this day.
