The crisis and the need for unity and a sense of family in our world have *never* been greater than right now. This virtual **One Million Rally of Hope** brings together men and women of faith who affirm the parenthood of God over humankind. Temporal political and humanistic solutions are insufficient for finding peace within ourselves, our families, and the world. As the sign in front of the church says: **“No God, no peace. Know God, know peace.”**

The Rally of Hope is co-sponsored by the International Summit Council for Peace (ISCP), the International Association of Parliamentarians for Peace (IAPP), and the Interreligious Association for Peace and Development (IAPD) of the Universal Peace Federation (UPF)
