Strategy & Power

in the Indo-Asia Pacific

TUESDAY, February 23 from 2-3 pm EST (New York time)

Hello:

The Indo-Asia Pacific is a tough neighborhood. Stakeholders include all *Six Parties* in two trilateral alliances – Korea-Japan-US and North Korea-China-Russia – each with internal issues. Add India, Australia, the Philippines, Indonesia, East Africa and up to 50 more. Variables include China’s militarized islands over atolls and reefs; an arms race; North Korea’s rollouts of sub-launched ICBMs; Taiwan; the Biden Administration; “debt-trap diplomacy”; trash talk; a pandemic and more. Fortune favors those who can look around the corners. Join with us to discuss the shifting plate tectonics of geopolitical Asia.
