Greetings!

On behalf of the World Christian Leadership Conference (WCLC), and its Founder, Dr. Hak Ja Han Moon, it is our pleasure to invite you to a virtual program at the World Christian Leadership Conference's second monthly Webinar on **April 27th, 2021 9:00 P.M. (New York Time)**. This webinar's theme is ***"Building a Unified Global Community: The Responsibility of Young Clergy."***

The World Christian Leadership Conference was inaugurated on December 28, 2019 at the "Peace Starts With Me Rally" where thousands of religious leaders and members of the faith community from around the world gathered. The World Christian Leadership Conference's goal simply stated is to attend God as the center while upholding the dignity of the individual and family, loving one's neighbor as oneself, and building nations centering on God.

This webinar will feature four prominent speakers from America and Asia Pacific: **Minister Ed Long Jr.**, 3rd Generation Global Minister and Award Winning Music Artist, **Rev. Samuel Moses Pattaguan**, Pastor of the Soul Winners for Christ Fellowship, **Prophetess Juliana Talabi**, Minister and member of the Voice of the Daughters of Zelophehad, and **Minister Brandon Towns**, Young Adult Pastor of the City of Refuge Church. Our speakers will share unique perspectives on helping to build a global unified community.

When the body of Christ comes together, drawn by the Holy Spirit, God's Kingdom can come on earth as it is in Heaven and lasting peace can come to this tattered world. WCLC is well poised to make great contributions in serving God and humanity.

Please register to join us on Zoom: <https://tinyurl.com/4-27-wclcwebinar>

We look forward to seeing you!

May God Bless you, your family, and your community.

Sincerely,

Dr. Ki Hoon Kim
WCLC, Chair of Steering Committee
