“Since Cheon Il Guk has been established, it should be overflowing with Cheon Il Guk citizens. For this, registration of CheonBo families, Blessed families who’ve fulfilled their responsibilities is necessary.

Today, more than five thousand couples Have registered as CheonBo families. You achieved the feat of quintupling CheonBo families in one year. However, your responsibilities don’t end there. CheonBo families are the CheonBo flowers that will never wither or change.”

*True Mother, October 10, 2021*
