Hello Families and Friends!

Wasn't it wonderful to see our Senior Pastor, Dr. Kim, show appreciation for all of the amazing family members, mothers and volunteers during this past Sunday Service? Dr. Kim really sets the example of how we need to appreciate and love our family members more. Our mothers sacrifice and give so much to us without asking for anything in return. If you missed it, check out the video below!

Speaking of videos, my wife, Miyuki, and I both watched the recording by our International President Dr. Yong Cheon Song earlier today. We both agreed that it's so important to have the right attitude, and Dr. Song explains it perfectly. If you still haven't had a chance to view it, please click on the link titled "Mother's Request" below!

We really hope you enjoy this week's edition of Enews!
