Hello Families and Friends!

We hope this newsletter finds you in good health and spirits. We are writing to share important information about the upcoming event that holds great significance for all of us - the 11th Seonghwa Holy Ascension Ceremony of our beloved True Father.

The Seonghwa Holy Ascension Ceremony marks the transition of our True Father, Rev. Sun Myung Moon, to the spiritual world. It is a time for reflection, remembrance, and celebration of his teachings and legacy. This year holds special significance as it is the 11th anniversary of his ascension, symbolizing his continued influence and guidance in our lives.

As we approach this meaningful event, let us remember the teachings of True Father and the impact he has had on our lives. His dedication to creating a world of lasting peace and harmony lives on through each one of us.

Thank you for your continued support and love.

11th Anniversary of True Father's Seonghwa

Dear Family,

On Friday, September 1, 7.17 by the Heavenly Calendar, we will commemorate the 11th Anniversary of True Father's Holy Ascension. It is hard to imagine that 11 years have already passed since our True Father ascended to the Spiritual World.

For 10 years, we commemorated the anniversary of True Father's ascension globally centered on Korea. Last year, as we prepared to commemorate the 10th anniversary, True Mother encouraged us to pray to True Father, to meet him and ask for his guidance:

"What did Father say to you all today? Did he just tell you to just stop and let the fruits of your effort pass by without hope? Surely not. Is True Father asking you to become one with True Mother, who is leading the providence on earth? Then, Father will bless you to work together with Mother and spread to all of humankind the fact that Heavenly Parent's love is with us from Heaven, and bless the entire human race to form beautiful Cheonbo families that can fulfill their responsibilities as filial sons and daughters and loyal citizens serving and attending Heavenly Parent. Are you going to make that determination and put it into practice? I believe in you. I love you."

This year, True Mother again encouraged us to meet Father through prayers and witnessing activities, but she also asked us to hold local celebrations for True Father's Ascension Anniversary.

Since arriving in America, I have been conducting the CSW Rebirth Workshops. I've also

been encouraging all communities to establish their local Cheon Shim Won for the sake of all members across the country. Through the Rebirth Workshops and the Cheon Shim Won, we are able to reconnect and realign with True Mother, with True Father and ultimately with our Heavenly Parent.

As we prepare for the 11th Anniversary of True Father's Ascension, let us keep our prayers and our hearts focused on Heavenly Parent and True Parents' will and providence.

There will be a live broadcast from Korea of the Pledge Service on September 1, 12am (midnight) in Korea, which is Thursday, August 31, 11am Eastern/ 8am Pacific. The broadcast will be available on lpeaceTV.com.

As True Mother requested, please prepare a beautiful celebration to commemorate True Father's Seonghwa Anniversary in your communities, and let us invite our friends and families to join this celebration.

This is also the time to show our gratitude and offer our gifts to True Parents. As always, your offering of any amount is sincerely appreciated and gratefully accepted. You can make your offering online, at the following link: [Special Donation for the 11th Anniversary of True Father's Seonghwa](#), or give at your local church. Please see the [International Memo](#) regarding the special donation.

Let us celebrate the 11th anniversary of True Father's Holy Ascension, and let us offer our best to support True Mother at this time to realize Heavenly Parent's dream and successfully enter Cheon Won Gung in 2025.

May Heavenly Parent Bless you and your families,

Rev. Demian Dunkley

Regional Chair and President

Peace Road 2023: Picking Peaches for Peace on National Peach Day!

Peace Road 2023 was collaborative success! Here are some testimonies from those involved!

"Today in honor of the 70th anniversary of the Korea War, Universal Peace Federation hosted a prayer gathering at the Veterans Memorial with guest speakers, Rev. Reed and Rev. Craig Williams both individuals whose fathers fought in the Korean War. I, the event organizer for UPF, collaborated with Shine City, to perform a peace road service project at the Ahern Orchard. Both events took place today, and about 30 guests were able to attend. For the prayer memorial we had 4 volunteers from the Latter-Day Saints community come and help show their support, it was a mother and her three daughters. At the service project another guest from the Latter Day Saints community come and showed his support as well. The event was amazing! We pick peaches from the tree and help dispose of all the other fruits that were later fed to the chickens. We ended up getting a tour of the Ahern Orchard by Katherine Duncan and she showed us the rest of the beautiful garden." - Tarlee Teah

"It was also great because so many brothers & sisters pitched in to help make it a success: Sera Hirano & Sarah of WFWP provided all the coffee & donuts & water & love; Rev. Craig Williams whose father spent 3 years in a Chinese POW camp during the Korean War gave a moving opening prayer at the Korean War Memorial; Rev. Reed of the ACLC Non-violence commission gave an educational talk to the multiple young people there on war, armistice, peace & Peace Road (his father & brother also served in Korea) (and his wife Katherine was there); Jeffery offered a wonderful talk on the original Korean owner of the fruit orchard where the service project was to be & introduced Shine City; PWPA president Thomas Selover & his wife Grace were at the memorial and then hands down were the best Peach Pickers at the service project.

All the Shine City volunteers AND the 4 Christian volunteers AND the 3 Mexican Orchard workers, ALL got Peace ROAD T-Shirts and learned of the significance of Mother's Peace Road at the Service with 2 more talks by Tarlee & Jeffery!" - Steven Child
