September 21, 2023

Meet our wonderful new Co-Youth Pastors Resfred and Hannah Arthur! They will be Co-Youth Pastors and Assistant to Dr. Ki Hoon Kim, Senior Pastor of Las Vegas Family Church.

Here are some quick bios from both of these wholesome individuals who dedicated their relationship to God and create a wholesome couple.

Resfred Youngsoo Arthur

Resfred Youngsoo Arthur, also known as Yonsu, is a hobbyist videographer, programmer, and self-learning enthusiast.

He was born in Accra, Ghana, where he spent the early years of his life before moving to the United States in 2012. He has a passion for education, specifically youth education, which inspired his mentoring and counseling of Young Unificationists for 7 years in the New York community (2015 - 2022). His community involvement led him to initially support the National Providence as the Product Manager for TribeNet (2019 - 2021) and assist in local pastorship at the Queens Church in NY (2020 - 2022). Amidst his community involvement, he is likely better known as the MC for Morning Devotion.

After graduating from university with a Bachelor of Science degree in Computer Science, he briefly interned in Cyber Security before being appointed as the Secretary General for the Family Fed Northeast

Region (Formerly Subregion 1) in December 2020. In this role, he has been supporting greater leadership, local community pastors, and members to build communities that represent the love and embrace of Heavenly Parent. He is inspired to continue the legacy of our True Parents and build a future that remains true to the identity of Blessed Families.

Hannah Jeongmi Bush (Arthur)

God has raised Hannah through her experiences in Generation Peace Academy, both as a participant and subsequently as a staff member. As a participant, Hannah gained valuable experience as a team leader, focusing on educating and mentoring young adults. Her time with Heavenly USA provided opportunities to serve at various events while collaborating with Christian ministers. Transitioning into a staff role in the previous year (2022), Hannah led the music ministry and outreach arm of the program. She currently supports the personal growth of missionaries on Heavenly USA as the education counselor. Pursuing a major in music, she has a passion for sharing God's love through music. She is inspired to build a beautiful future for Cheon Il Guk, together as one family under Heavenly Parent and True Parents.

Let us do our part as a family to make this couple feel, "WE ARE LOVED."
