Youth Ministry Sets up for Christmas Party!

Last week Saturday our Youth Ministry gathered to learn about the life and love of Jesus! After an intense ultimate frisbee game we prayed, had some education, and headed over to IPEC to hide raffle tickets under each seat and set up raffle prizes.

Later that night Andy and Susana prepared a special dinner for them as well before their monthly movie night/sleepover!

They worked really hard setting up and selling raffle tickets so next time you see any of them please extend your thanks to them ^_^

From 12/14/2023 to 12/24/2023, the witnessing frontline was open every day from 10 to 6 pm at the Fantastic Indoor Swapmeet, booth f44. Normally, since September, our volunteers are at the booth Friday thru Sunday. This past 10 days, we had additional volunteers to help with the 80 hours of witnessing. Even our Fantastic vendors volunteer'd their support. The Diamond Dr. across from us asked for a key to help open when volunteers couldn't make it by 10 am. The volunteers this past 10 days were : The Compton couple The Weimann couple The Gomez couple The Jares couple The Hardarson couple

Shine City Project cleans up at the Government Wash at Lake Mead on December 2, 2023!

On December 2, 2023, Shine City Project helped to pick up litter at the Government Wash at Lake Mead! At the start of the service project, there was an educational component where we had to match the item and the amount of time that it takes to decompose. It was surprising to see how some items take a much longer time to break down than others. Afterwards, our four Shine City Project volunteers walked down into the Government Wash to clean up. We often found glass bottles both intact and in pieces, aluminum cans, and food packaging. Even though we had a small team of volunteers, we still did our best to scout the area and ensure that the wash was properly cleaned! Additionally, it was a nice experience walking inside the wash as the terrain was reminiscent to how water shaped the Grand Canyon!

Sharing the joy of Christmas!

Just a small part of our LV Church community Christmas service and party. I purchased \$50 worth of raffle tickets, imagining that if I won something I would love to give it to someone special. I ended up winning 6 times and had the pure joy of giving each one to a different child. I saved one (the first one~~a plush light blue turtle) for my 5 month old grandson. SO much joy 🎁💖
