Cheonshim Won Current Events

CheonBo Event at Han Hwa Gung
10.18.25

Together with over 300 family members and the grace from Heavenly Parent and True Parents, we participated in Ancestor Liberation, Ancestor Blessing, Hyojeong Offering Ceremony, and Hyojeong Won Inheritance Ceremony.

Family received education on the significance of each aspect of the events and understanding on how this helps and move providence closer to Cheon Il Guk and completion of Heaven's dream.

Spiritual 40-day Workshop

More than the general international workshops in Korea, the Spiritual 40-day Workshop is working to create a perfect foundation of sincere devotion at Cheonshim Won. "We need to resonate with Heavenly Parent's heart and True Parents' heart, we need to discover our Cheonshim, when that happens, the true Cheon Il Guk will be established."

Workshop Objectives

- Fostering leaders who can read and understand the heart of True Mother.
- Nurturing leaders in Cheonshim Won who, through sincere devotion, eliminate flaws and blemishes and establish the 3 generations.
- Raising leaders in Cheonshim Won who can listen to Heaven's voice and convey Heaven's heart.

Autumn Great Works -

The Grace of Tree of All Things

This great works not only helps to clean the spirit world through chanyang, but also has the grace of All Things to help with Heavenly Fortune, multiplication of children and witnessing.

Did you know:

- All chanyangs one week before, to one week after the event becomes more powerful.
- One chanyang in the great works is more powerful than other chanyangs, with the ability to remove at least one central evil spirit
- It is better to register so the absolute good spirits can work with you even if you can't attend the event.

The more we clean up spirit world, the more it will help Heaven's providence and help Mother's path.
