### 5th Heavenly USA Hyo Jeong Cheonshim CheonBo Spiritual 40-Day Workshop

As we cross over the halfway point for this workshop, we are finding more clarity and desperation to truly experience and understand Heavenly Parent and True Parents' hearts. Today is day 24 for the Spiritual workshop. We received education from Pastor Resfred Arthur on the Essence of Christianity, Dr. Thomas Selover on Great Epic of Korean Han People, Margaret Repke on the Heart Revolution, and a special messages from Rev. Luke Higuchi, Kodan President, on Japanese Situation and Perspective.

On Saturday, we participated with the Las Vegas Community with family friendly Sportsfest. There was something for everyone of all ages. Everyone enjoyed the day out with Heavenly Parent and True Parents.

## 1000th Vigil Testimony!

### Rosie Muyongo

Good evening and thank you for inviting me to share my testimony in celebration of the 1000 Cheon Shim Won Las Vegas night prayer vigil devotion. It truly is a great victory and I congratulate our leadership - Dr. Ki Hoon Kim and Rev. Ryuichi Kishimoto Stevens and all Cheon Shim Won Las Vegas staff. You are all amazing. Thank you for leading and making it possible for all of us to join in this devotion.

My name is Rosie Muyongo. My husband is Charles Muyongo and we are part of the 1992 30,000 couples Blessing. Our Blessing brought us three beautiful children - Sun Mi, Charlson and Benedict.

In 2020, my couple together with our youngest son had the opportunity to go to Korea and join in celebration of the victory of Vision 2020. It was during the celebration that I first heard of Vision 2027 and the goal of building the Cheon Won Gung and the restoration of at least 1/3 of the population of the world. While offering prayer and devotion I had a vision of True Mother asking me for help. I did not understand, but when I returned to our community in Seattle I stepped up to be the Seattle Family Church Pastor. I served as Seattle Family Church Pastor officially from August 2020 to June 2025.

One of the biggest responsibilities was to lead the building of the Cheon Shim Won prayer room in Seattle. We did it victoriously and Dr. Kim came for its opening on August 27, 2023.

Right after the inauguration, we started our own prayer devotion in the morning from 6 to 7 am until I received a memo from international headquarters asking that every community offer a night prayer vigil centering on Cheon Shim Won. The memo said that ideally it should be from 12 midnight to 4 AM. I heard it was True Mother's request. So, I offered a prayer vigil from 12 to 4 am by myself for 1 week.

Later I heard that other communities were doing the prayer vigil from 8 PM to 10 PM , Monday to Friday. We followed the same schedule. Those who live close by to the church joined in person at the Seattle Cheon Shim Won and those who cannot come in person joined by Zoom. We did it for several months, the morning devotion and the 8 to 10 PM night vigil. November of 2024, Ryuichi san together with SiewLian Leroy and Tomoko Watanabe came to Seattle for HJ CheonBo Workshop. That was when we received an invitation to join the Las Vegas Cheon Shim Won Night Prayer Vigil. Ryuichi san gave me the Zoom link and I shared it with our community. We stopped our local 8 to 10 PM prayer vigil and the morning devotion and we started joining here via Zoom.

Joining the Las Vegas Cheon Shim Won Night Vigil Prayer devotion was truly a blessing to me.

Serving as Seattle Family Church Pastor was not easy. But after having our Cheon Shim Won prayer room, Cheon Shim Won became my fortress and my sanctuary. And having been able to join the Las Vegas night vigil prayer I gain inspiration, guidance and power to continue in taking responsibility. Through the chanyang sessions, the Hoon Dok Hae and sharing of brothers and sisters, the testimonies, the songs, the main messages and the prayer time. I was constantly reminded of Heavenly Parent and True Parents and the Holy Mother Han's unconditional love. Remembering them I learned to love and to forgive even in situations where it is most difficult to love.

In June 2025, we welcomed a 2nd gen pastor for Seattle Family Church.

I left the public position and started working for a private company fulltime. The change could have been difficult spiritually but my attendance to the Cheon Shim Won Las Vegas Night Prayer Vigil serves as my spiritual life line.

One last thing that I would like to mention is how through Cheon Shim Won Night Vigil I see the presence of our young people taking part in offering devotions to our Heavenly Parent and True Parents and the Holy Mother Han. Their prayers and testimonies simply move my heart all the time. It gives me so much hope for the future. Knowing how my own daughter was guided and transformed even more through her attendance in the two 40 days Spirituality workshop and Cheon Shim Won night vigil devotion in Las Vegas that she attended, I believe that many other young people can have that transformative experience as they take part in the Cheon Shim Won Spirituality workshop and Cheon Shim Won Night Vigil prayer devotion.

I am forever grateful to our Heavenly Parent and TP and to our Holy Mother Han for giving us the precious gift of Cheon Shim Won and of the Night Vigil prayer devotion. Kamsahamnida.

## What is Cheonshim Won?

(from the Chambumo Ron)

On October 10, 2020, True Mother gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it "**Cheonshim Won**" (天心苑, **Garden of Heaven's Heart**). Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.**

When we are on the same frequency as Heavenly Parent and True Parents' hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents' heart. ...
