Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Jesus::

True Father: "True Parents' love here on earth is like a formula or tradition. Anybody who follows that formula or tradition is bound to succeed. Not only will you succeed here on earth, but you will also succeed in spirit world.... This kind of love will be welcomed anywhere, anytime, because this is the love of God." [1]

True Parents and Jesus are not supposed to be the only ones for all eternity that practiced and practice a God like love. In God's ideal everyone reaches that level while on earth. God's ideal is nothing less like that. God would never be satisfied with anything less.

That means we all have the potential to love as God loves, to love as True Parents and Jesus love. They love everyone in the world with true parental love, which is unconditional and never ceasing. Of course, they do not meet everyone in the world, but their heart is the same as the heart of God. They see everyone as God sees them. Whomever they meet, they treat with such a heart.

And God and True Parents want us to strive for and reach that same level, instead of settling with less.

And we all have the potential to do that:

True Father: "Mother and I are not going to be the only True Parents. My goal is to make all of you true parents. It is the greatest honor that I can give to you." [2]

True Father: "The twenty-first century will be the era of True Parents, the era when people will mature spiritually through the development of heart, to the point that everyone will become true parents." [3]

True Mother: "God's dream for humankind is for everyone to become True Parents. God's dream is [for us] to become a visible God..." True Mother to sec gen. 8.3.2017

Jesus: "You are being charged with something that nobody else has done. You must become True Parents. Yes, you must become True Parents. This is our Father's desire. Not that you follow him blindly as sheep, but that you take up his cross and you become True Parents... You can do what I could not even do. You can become True Parents." [4]

To become True Parents is our goal. That means to live in the image of God:

True Father: "Living in the image of God means having God's words becoming your words and God's love become your love. That is your first goal." [5]
