Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

"... we have to be glued together with the love of God." [1]

This world is full of conflicts and divisions, not only now, but throughout all of history. It all came about through the fall of man, where our first human ancestors turned away from God and became corrupted.

They should have matured and brought true love to blossom, but became embodiments of selfishness. They did not resonate with God's love anymore, but rather with the devil's fallen nature. And all of humankind came from such corrupted people. That is why this world is not the Kingdom of God, but hell on earth.

God wants this world to turn around. He sent us True Parents who started the revolution of love, true love. Only when all mankind inherits true love from them, then this world can become the world that God

originally envisioned. Only a revolution of true love can bring about the Kingdom of God:

True Father: "No one can deny the truth, that nothing else other than a new movement or a revolution of true love, can save today's world." [2]

True Father: "The revolution of love will make possible the realization of the ideal for which God and all humankind have been waiting and hoping since the beginning of human history." [3]

Many people do not believe that the ideal world is possible. And of those who dream of a peaceful world, how many see a way to achieve it? And how many think of violence as a means to establish a peaceful world?

But violence, hatred and revenge will never bring about the ideal world. Because it is part of fallen nature and has nothing to do with true love.

The ideal world of God's design can only come by more and more people receiving the Holy Marriage Blessing from True Parents, developing their heart to higher and higher levels, thus becoming able to love the way God loves:

True Mother: "I would like to begin a new era, an era of peace, an era where we share the heart of true love and living for the sake of others, an era of living centering on altruism, where all of humanity can attend God as our parent. We can establish together a world of peace, equality, unity, and happiness. Together, we can realize the Kingdom of Heaven on Earth." [4]

When more and more people share the heart of true love with others, then mankind will become glued together in the love of God, and we will become one human family with God's true love in the heart of everyone.

Love from Bruno
