Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "Love holds supreme value. Once you have true love, even God will follow you, the world will follow you, everyone will follow you. Once you stand in love's place of honor, all creation will follow you." [1]

True love has great power and influence. With the power of true love this world will turn around, mankind will be liberated from evil and suffering, and God's world will be established once and for all:

True Mother: "True love can serve as the basis for conquering even hell. When you come to possess true love, all sorrows and pains transform into joy within that true love. In other words, true love is the desire of the original nature of humankind, which remains as an absolute authority that is greater than any authority asserted through power, knowledge or money." [2]

With the boundless power of true love the Kingdom of Heaven will be established:

True Father: "The power of true love, as can be seen, is a great and boundless power, capable of re-creating the universe. In the end, only the power of true love can establish the world God envisioned at the time of the creation, which is the kingdom of heaven on earth and in heaven." [3]

True Father: "True love, which even the living God desires to abide by absolutely, is the very thing that can conquer even hell. When you possess true love, you can absorb all sorrow and pain and transform them into joy." [4]

We all are requested to become embodiments of true love:

True Father: "We are still waging war, but using True Love as our only weapon. When you become the embodiment of True Love, the entire world shall be conquered. Satan fears the power of True Love, because nothing can prevail against us.." [5]

We indeed have the power to change the world:

Sun Jin Nim: "Your love has the power to change the world." [6]

Sun Jin Nim: "If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation. If we look at the state of the world today with the crises of the planet, global economic difficulties, and inter religious strife, we know that the world urgently needs True Parents' true love and blessing; now more than ever. Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." [7]

Not only can we change the world, but also we can become happy and successful people:

True Father: "That is why a person who owns love can own the universe. Happiness overflows in the person who has love. That person can achieve success in every area of life." [8]

Love from Bruno
