

True Father: We should be examples for humanity

Anyonghaseyo, dear brothers and sisters!

Here again an inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "If you are becoming the consummation of the love of God, then you are becoming a perfected man/woman, and those who come near you will melt in the spring atmosphere of that love. Then sadness, hardship and pain will melt away without reason." [1]

Our destination is to become such people. It means to develop the heart of God in ourselves, to become people in the image of God:

True Father: "We must possess heaven in our hearts and convey the heart of heaven to others." [2]

The more we advance in this direction, the more we are blessings for other people, even for the whole world. God then can use us more and more to move the providence of salvation, to liberate the whole world from pain and suffering:

True Father: "We should be devoting all our hearts and minds to becoming the progenitors of goodness

that humankind has been seeking and that God has been seeking. We should be the parents of good parents. By practicing the right principles of love we should be examples for humanity." [3]

The more we advance in heart and love, the more will other people be influenced and attracted:

Sun Jin Nim: "If we come to resemble True Parents, I believe people from around the world – I am talking about people, and even organizations who are not yet part of our movement – will be inspired to support our movement. They will be captivated by the vision, the commitment, and our character, professionalism and heart." [4]

More and more will we be able to realize God's dream:

True Mother: "We can realize God's dream, the wish of humanity, which is one family of humanity under God. We can realize the dream of the kingdom of heaven on earth. And today is the day that dream begins." [5]

Love from Bruno
