Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father:

True Father: "In order to make God abide in you forever, you must make Satan surrender and you must become the eternal and unchanging self. You have not reached that level yet. In order to be in that position, you must inherit the standard and victory Father accomplished." [1]

To make Satan surrender, we need to love those who are difficult to love. We need to love the enemy:

True Father: "We are to love our enemies. This is the secret method of breaking Satan's walls that surround us. The realm of equality has never existed in this world. The way to create this is to make those who strike us surrender by sacrificing for them, loving them and praying for them. By giving them the same blessings that we have, a realm of total equality will come into being." [2]

Loving the enemy is of greatest importance:

True Father: "We who are God's children must establish the condition of having loved those who oppose us. From this perspective, there is amazing truth in God's teaching, "Love your enemy." In fact, this is one

of God's strategies in His battle against evil. These words sound simple. Yet few realize that they mark the boundary line between victory and defeat in the battle between God and Satan." [3]

To love the enemy we need to train our heart. We need to overcome fallen nature, which certainly does not love the enemy. The more we train our heart in this direction, the more we become the unchanging people. We become unchanging, because true love is unchanging.

The more unchanging we are, the more God can dwell in us, or with other words, we become like God, we inherit the heart of God. We become the visible God.

The goal of restoration is for all of us to become the visible God. When all mankind is the visible God, then God's ideal is established, and God's dream has come true.

We all have the potential to become the visible God. If we go for it, nothing can stop us. And God will be on our side.

Love from Bruno
