Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "You should aspire to become embodiments of God, embodiments of the True Parents... In fact, all these Parents want you, their embodiments, to be better than they are." [1]

Parents want their children to become better than themselves. That certainly applies to God and True Parents as well. They want us to become True Parents, and nothing less. They want us to embody God's ideal:. That is their dream:

True Father: "The True Parents, who come in the Last Days, are the embodiments of the ideal. You, too, should live as true parents; only then can you build the palace of true love on the foundation of true love." [2]

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [3]

In order to get there, we need to adjust our heart and mindset to God's wave length:

Sun Jin Nim: "Each individual needs to connect their heart and mind to God's wave length. Only then can we settle Cheon Il Guk." [4]

To bring this about, we need to pray constantly for this and ask God, True Father, Jesus and Heung Jin Nim for guidance and support in this matter. At the same time we need to train our heart and love to become unchanging and unconditional, just as God's and True Parents' love is.
