Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "If we are to fulfill the purpose of our existence, we need to inherit first the true love of God." [1]

Inheriting the true love of God means developing our heart. Day by day we need to make sure that our heart grows, no matter what we do otherwise. The more our heart and love grow the more we embody God, the more we understand God, the more we think and love like God. Gradually we come to live God's life:

True Father: "You are living God's life and whatever you do and wherever you go your entire purpose is to live as God, giving His way of life and His love." [2]

Getting to this point requires exercise of heart, breaking down limitations of love, overcoming fallen nature. It requires practice:

True Father: "You must inherit the realm of God's heart. You have the theory, and when you practice it, you can become one with God. You must establish such a tradition."

We need to focus on what is most important. That does not mean to forget everything else. It just means to keep our priorities right. Otherwise we may do lots of things, but do not achieve the most important

thing:

True Father: "The purpose of life is to occupy the love of God. If you do not occupy the love of God, even if you think you have achieved all your hopes, you have not achieved anything. Although you may be very happy, that happiness cannot become eternal happiness." [3]

We need to always make sure that the most important thing does not get forgotten in daily life, that we keep the right focus, in whatever situation we are in:

Sun Jin Nim: "By making true love the purpose, focus, and the core of our lives, it will be the source of endless blessings and it will become the wellspring and source of honor, success, resilience, creativity, harmony and dignity." [4]

To keep the right focus, we need to constantly analyze what we are doing, thinking and saying, check if we are drifting away from the main thing or if we are keeping on track. We need to ask God to guide us on this path, as well as ask True Father, Heung Jin Nim and Jesus to take us by the hand, guide us and help us to become more and more like God every day. Then we are on the way to embody God and to fulfill God's dream:

True Mother: "God's dream for humankind is for everyone to become True Parents. God's dream is [for us] to become a visible God..." [5]

More and more will we resonate with God's love:

True Father: "Man's ability to respond to the true love of God was killed due to the fall. People cannot even recognize God's true love, much less vibrate with it. The whole purpose of salvation is to restore that ability of human beings to vibrate with the love of God. Once the spiritual body of man/woman can receive the vibration of God's love, his/her whole self will resound with it. His/her entire physical body will respond to God's stimuli. That would be the total satisfaction of love. Nothing could be more desired by anyone." [6]
