

## **True Father: We have to subjugate our opponents, not by force but by love**

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "You should become the kind of person who can heartistically subjugate others with his/her personality." [1]

How do we establish the world of the heart? How do we bring the whole world into God's bosom? Certainly not by force, but by the power of our heart, of our love. Nothing else will do. The world of the heart can only be established by the power of heart:

True Father: "With true love there is nothing you cannot do, nothing you cannot make. You can love even your enemy. The power of true love is not to fight, not to force, but to win over someone naturally. There is no power stronger than this." (2)

The Kingdom of God will be established by the power of love, without fail:

Sun Jin Nim: " If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation... Only through True Parents and

the heart of true parental love can we establish world peace and one Family under God." (3)

True Father: "We have to subjugate our opponents, not by force but by love, the natural process of the universe. That is our ideology. This is the most profound ideology anywhere, the perfection of religion. There is no better philosophy than that one." (4)

True Mother: "We do not need arms, we do not need knives... Let us practice true love. Let us spread true love. Let us spread the blessing!" (5)

True Father: "You need to set the condition that you went out to struggle with Satan's world and won over it with love. You must be able to claim, "I did not crush my enemies; instead I brought them to surrender with love." (6)

True Parents lived and are still living accordingly:

Sun Jin Nim: "During those racially and nationally tense historical moments, True Parents knew that only when we can unconditionally love our enemies, can a peaceful world begin to emerge. They even risked their lives to unite and embrace leaders of enemy nations in order to bring peace and healing to this world. This is the level of courage and heart that I hope all of you, as leaders, can inherit from our True Parents." (7)

We all need to be just like that:

Sun Jin Nim: "We as their (True Parents') filial children must carry out our responsibilities by embracing all the children of Heavenly Parent throughout the world." (8)

By embracing and loving the people of the world will we bring them to God and True Parents. The Kingdom of God will emerge in this way.

Love from Bruno
