

True Father: In love you become a small God here on earth

Dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Heung Jin Nim (in the spiritual world):

True Father: "The person who ignores the value of each and every moment to love will lose what is truly precious." (1)

That means that if we use our time wisely, investing our love into people unconditionally at every opportunity, then we can grow in heart and love fast. Then we fulfill the purpose of our existence on the earth which is to become one in heart with God, reaching God's level of heart and love:

True Father: "Please understand that the time we have on earth is an opportunity more precious than anything else under heaven. It is our opportunity to perfect our love. It is urgent that we understand our work now is for the sake of inheriting a path that is more precious than our nation, more precious than the world, and more precious than our own love or life. The life we lead from now on has indescribable value." (2)

Every day of our life, every moment, is incredibly precious, as long as we are working to expand our

heart and to deepen our ability to love. Because then we are creating a treasure that we can even take to the next world, the spiritual world:

True Father: "In spirit world we will all have some accumulated testimony about how much love we gave to God and the people... In love you become a small God here on earth, so when you go to spirit world you have complete freedom to dwell in the realm of love God has been creating from the start. My voice is the loudest of all here on earth because I am ringing the bell of love." (3)

True Father: "What kind of world is the spirit world? It is a world where anything is possible if you have a heart at the same level as God's." (4)

We all have the potential to reach the highest levels of heart and love, especially after having received the Blessing from True Parents. But we need help in this field:

Heung Jin Nim: "I said before that love is the key, but actually because of your barriers of love you need help. You need help to guide you to the deeper levels of love. Therefore your faith is the key because through your faith I can be with you and when I am with you then I can lead you in an understanding of love. And with that faith and with that love then nothing can stop your march forward to victory." (5)

We need to ask God, True Father, Heung Jin Nim and Jesus to guide us on the path, so that we can grow as fast as possible, making most out of our life on this earth.

Love from Bruno
