

## True Father: Does that mean I am some kind of a magician or hypnotist?

Dear brothers and sisters!

And here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in the spiritual world):

True Father: "That standard of heart which makes God cry remains eternally in spirit world. Respect and love others as much as you love God, in the same way I have done." (1)

The more we resemble God, the more we move God to tears:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one.. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." (2)

The more we love the way God does, the more not only God will be moved, but also people. We will be able to win the heart of people and influence them to also learn the way of true love. That is how the Kingdom of God will be established, by the power of love that moves the heart of people:

True Mother: "If you embrace all 7 billion people of the world, should you not be telling them what you know? You should show them what kind of person you are and tell them you became what you are because of True Parents, and encourage them to join you. That is what True Parents meant by starting a true love movement." (3)

It is indeed the heart of true love that attracts people:

True Father: "Does that mean I am some kind of a magician or hypnotist? No... there is a definite reason why I affect so many people and move their hearts. It is the very thing I always talk about. The secret is to become a dynamo of love, become a lover. I look at people and even the whole world as my beloved. From the material point of view there is nothing special about me; but I am the richest person under the sun because I have that power to attract people. The secret is nothing other than love." (4)

We all are requested to become like that:

True Father: "Become a magnet, a mover of people's spirits; become a spiritual magnet drawing people

with love. Maintain this condition or attitude, and then your prayer will become a reality." (5)

True Mother: "Cheon Il Guk leaders who have gathered here, your scope and influence must be magnified. Become a leader who can touch the consciousness and move the heart of those who live in this age." (6)

We all have the potential to do that. In our heart we have all the resources:

Heung Jin Nim: ""You must realize that in your heart you have all the resources. If you ask me, I will come to you. I am a very great teacher. I love to teach. I will show you, if you only ask... Call my name and I will come to you." (7)

We will not only be able to move some people, but whole nations:

Sun Jin Nim: "If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation." (8)

Sun Jin Nim: "Please become a beacon of love and peace to guide your family, tribe, nation, and the world back to our Heavenly Parent. I believe in the divine parental heart that lives in you!" (8)

Our job is to believe in the divine heart within us and to develop it step by step, by training our heart day by day in the ways of true love, which is unconditional and unchanging. That way we become the people that can move the heart of God to tears.

Love from Bruno
