Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "One thing is certain: in the entire history of humanity, no one has persevered more or suffered more for the sake of true love than I have. I have truly lived an uncompromising way of life for this purpose. I am ready even now to give up my life. Ultimately the world is destined to come under the domain of true love. True love and the power of the universe have protected me throughout my life and that is the reason I have come this far. Now I am ready to guide the world to join in true love." [1]

The Kingdom of God can only emerge, when the whole world enters the realm of God's heart and love. Only then the purpose of creation is fulfilled. Only then can everyone live in peace and happiness.

True Parents have worked and are still working to plant true love into the hearts of people. And we are requested to do just that. We are to become teachers of love:

Heung Jin Nim: "America is starving, starving, starving for true love. Satan has given his filthy counterfeit. Everyone uses this word, they profaned it and defiled it "love" and only they mean selfishness, greed and lust. They do not know what love is. But you must be the teachers of love." [2]

Actually the whole world is starving for true love. So how can we be teachers of true love? For this we need an inner transformation, we need rebirth:

Heung Jin Nim: "What I am interested in is to see you transformed, I want to see you reborn. And I want to see you bring that rebirth to America. As America is reborn, the world will be reborn. As America finds new life within our own church, the Unification Church. We are called Unification, meaning one, yet we are very broken up. We do not know love ourselves; how can we teach, how can we teach others to love? We must love, we must learn to love." [2]

We might have thought that through the Blessing we are reborn and do not need further rebirth. But getting blessed is ONE thing, growing in heart and love is a different matter. Growth of heart and love do not come automatically or because we are blessed. Determined and unceasing conscious effort is necessary to get reborn in heart and love:

Sun Jin Nim: "Just because someone joins, works as a missionary, and gets blessed and has a family, it doesn't mean that perfection is readily achieved. Is any great achievement easily achieved? No, it takes practice, practice, practice. We must apply the Principle with sincerity in every single conscious moment of our lives, as individuals and as families. Only in this way, can we function at a world-class level. Only in this way will it be possible for all 7 billion people of the world to come to understand True Parents' teachings." [3]

We need to train our heart and love all the time, in many situations of daily life, especially when we at our limits:

Heung Jin Nim: "So you've been very stubborn and determined in the past, and not giving up in terms of your responsibilities. But now you need to make a determined effort, ten times that determined in terms of reaching into yourselves. That is why sometimes you felt empty because your determination was more external, but not internal." [4]

With other words, we need to learn to love, which means we need to grow in heart, develop our heart, discover our original heart. Only then can we be teachers of love:

We cannot really teach love to others while we ourselves have many limitations of love in our heart. We can speak about love a long time, but the better way of teaching love is to develop love in our own heart, to develop our character, to align ourselves with the way God loves. The more we do that, the more we get reborn. And then we can teach others, by our heart, by our attitude, and not just by words. And then we will attract God's blessing and protection:

True Father: "Wherever we go, we should be able to plant ourselves. We should become the manifestation of God's word. If you talk true love, but do not practice it, it doesn't work. No matter how beautiful the packaging, without feeling the vibration of true love from you, it will not work." [5]

As I said above, we need to make a determined effort to grow in heart. While doing that, we need to ask God for constant guidance in this realm. And we need to ask True Father, Heung Jin Nim and Jesus as well. They can all help us to get to the goal faster:

Heung Jin Nim: "I can come along the path and heal you, get you ready for the last stretch into the homeland, where your Parents have been leading you. And Lord Jesus and I have the water and the manna -- so can you really make it without us?" [6]

Certainly True Father has plenty of spiritual water and manna as well.
