Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Mother: "My husband and I never stepped back from challenges. Even when we faced persecution, we did not harbor any ill-will but rather prayed for those who opposed us. By overcoming such challenges we were given even greater blessings than we could have dreamed of." [1]

The fallen world is not based on the logic or ideology of true love. The fallen world is corrupted by Satan's ideology, which is based on resentment, hatred, murder and war. It is based on retaliation and revenge, exploitation, force and violence. That is why in Satan's world there are unending conflicts. Peace and harmony certainly cannot come by following concepts that have nothing to do with God, that are totally against God's way.

God's concepts and ideology, however, are based on true love, a love that forgives and forgets, that gives and forgets, without end. This includes loving the enemy. Only with the power of such a love can God's

ideal be established. Loving the enemy, or loving the unlovable, is the secret weapon of God. It is the weapon that Satan's world does not have or know, a weapon that is incredibly strong, a weapon that can establish God's Kingdom, one world family under God:

True Father: "The greatest of all statements made by Jesus Christ was, "Love your enemy." The power of that statement can conquer the world." [2]

True Father: "With true love there is nothing you cannot do, nothing you cannot make. You can love even your enemy. The power of true love is not to fight, not to force, but to win over someone naturally. There is no power stronger than this." [3]

We, too, need to use the power of true love, of loving the enemy, loving the unlovable, at all times:

True Father: "Since the principle path of the providence of restoration is for God to bring about Satan's surrender by loving him, we who are His children have to walk this same path. It doesn't matter that we are persecuted and abused and regarded by everyone around the world as an enemy. We who are God's children must establish the condition of having loved those who oppose us. From this perspective, there is amazing truth in God's teaching, "Love your enemy." In fact, this is one of God's strategies in His battle against evil. These words sound simple. Yet few realize that they mark the boundary line between victory and defeat in the battle between God and Satan." [4]

True Father: "God says, "Love your enemy," and pursues a strategy of love. The words, "Love your enemy" are the culmination of Jesus' teaching. It is remarkable that Jesus, the only begotten Son of God, stood before Satan and prayed for him despite the fact that Satan was trying to kill him. If Jesus, as he hung dying on the cross, had felt malice toward his enemies, God's providence would have suffered a severe setback.

Jesus overcame death with a heart to love his enemies and a prayer of blessing for his enemies. That is why Satan surrendered in that moment. This is where one gains the qualification to be God's eternal child. Even Satan recognizes this qualification, and gives his signature of approval. You, too, will be able to stand and say, "Listen, Satan, am I not unmistakably the child of God?" and Satan will reply, "Yes, that is correct." [5]

By us making Satan surrender by the power of our love, we become the hope of the world, and of course, the hope of God and True Parents:

Sun Jin Nim: "Be the hope you want to see in the world....Win the crown of glory. Cultivate the heart, the love. Love your enemy, rise above, and change it for good. Glory is the living embodiment of love on earth, the highest level of love we can achieve. That is your legacy because that is what True Parents did." [6]

We are requested to do what Jesus and True Parents did and still do, either on earth or in spirit world. We need to leave behind the same legacy:

Sun Jin Nim: "During those racially and nationally tense historical moments, True Parents knew that only when we can unconditionally love our enemies, can a peaceful world begin to emerge. They even risked their lives to unite and embrace leaders of enemy nations in order to bring peace and healing to this world. This is the level of courage and heart that I hope all of you, as leaders, can inherit from our True Parents." [7]

We all are requested to lead in the field of true love, becoming just as our True Parents. We all have the

potential. We all are created for greatness. We need to believe in ourselves instead of listening to all the concepts that Satan tries to whisper into our ears. We need to see ourselves the way God sees us and bring our potential of love to fruition. Then will we make God cry tears of joy:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." [8]

How do we do that?

True Mother: ""The capacity to forgive your enemy and save his or her life does not appear overnight. It requires that we eliminate the resentment and anger in our hearts and see the countenance of God in the face of our enemy. Father Moon could do so because he did not think of Mr. Hara (one of the people who tortured him) as his enemy. Even while being tortured, he prayed for him and forgave him." [9]

Not only are we requested to do similar things, but we also have the capacity to do so. And we can also ask God, True Father, Heung Jin Nim and Jesus to help us to rise up to such levels of heart. The more people train themselves to love the unlovable, to love the enemy unconditionally, the faster Satan's evils in this world will vanish. Satan's world, that still looks very strong, will collapse like a card house. The power of loving the enemy will make it happen. We all can participate bringing Satan's world down and establishing the world of the heart.
