Dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "That is why a person who owns love can own the universe. Happiness overflows in the person who has love. That person can achieve success in every area of life. On the other hand, no matter how seemingly great your life, if you cannot become a victor in the arena of love, you will end up a loser." [1]

To become a person who owns true love, we need to make our love blossom. We need to develop our heart, bring true love to fruition in our life:

True Father: "We are called to make love blossom. Love is the foundation of happiness for all people. That is why if we open the world of true love, everything else we want is guaranteed." [2]

We can do that by removing all the fallen elements out of our inner self, that are a hindrance for true love.

By purifying our love like that we fulfill our purpose. As a consequence we will enjoy great happiness:

True Father: " The purpose of life of faith is to realize self-perfection and feel infinite love, thereby enjoying infinite happiness." [3]

True Father: "Once we possess the love of God, we possess everything in the universe. With true love, we can even control God. How much happiness that can bring!" [4]

Does God allow us to control Him? Yes, He wants to be controlled and conquered by our heart, our love. The more we become like Him, the more that happens. Just as we want to be conquered by love, God wants to be conquered by love. He follows after true love like a bee after honey. He wants true love just as much as we want it. God has waited all throughout history for that to happen. He wants that kind of relationship with every single human being, on earth as well as in the spiritual world. Through the emergence of True Parents this has now become possible. It will lead mankind into a world of happiness:

True Mother: "What is the path that humankind should take today? In the end, the problems afflicting humanity can only be resolved through the logic of love and the understanding that we are all one family under God. This is the teaching of true love with God at the center that my husband and I, as the True Parents, received from Heaven. We have championed and taught this precious truth throughout our lives. This ideal represents the path that will lead humanity to a world of everlasting peace and happiness." [5]

We all need to follow the logic of love. By doing this we get closer and closer to the central standard of true love. This will lead to one family under God and to our own happiness:

True Father: "Therefore the true measure of your happiness is whether you are close to the central standard of true love. Happiness or unhappiness cannot be determined by how much money you have, but only by the purity with which you exercise true love." [6]

To get reach the central standard of true love we need to focus on true love, on developing our heart. We cannot live thoughtless. We need to always analyze what is the quickest way to advance in heart. We need to look into our own heart, watch our motivation:

Sun Jin Nim: " Whatever you focus on becomes your reality, if your heart and passion are centered on true love; by going this way you will bring happiness to yourself and all your loved ones." [7]
