

Sun Jin Moon: Each individual needs to connect their heart and mind to God's wave length

Dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in the spiritual world):

Heung Jin Nim: "Try to love those whom you do not want to love, through service and prayer, and your heart will open more and God will be guiding you what to do."

By loving those that are difficult to love, our heart grows closer to God and God can use us more. Because if we love unlovable people, even enemies, through prayer and otherwise, we resemble God:

True Father: "Then what is the point of resemblance over which God rejoices the most? More than omnipresence, omnipotence or uniqueness, He is most joyful when we resemble Him in love. Love is where we most resemble God. Thus, although we may lose everything, if we resemble His love, everything will follow us wherever we go." [1]

True Father: "Many people accuse God, saying, 'Look, God! Look at how evil that person is and how unworthy he is of Your love!' Yet, God replies, 'Is that so? Well, I will still embrace him.' That is the nature of our God, our Father. We have to ask ourselves a question: how much do we resemble God, our

Father?" [2]

True Father: "Heaven's true love is such that the more it is invested the more it grows. We must come to resemble God in this way. Even if our love is rejected, we should continue to love even more.... Our Heavenly Father walked such a path, and the Parents of Heaven and Earth walked such a path." [3]

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead... Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." [4]

Only true love can save this world, a love that embraces the enemy and sees him or her as a beloved child of God. The more true love, loving the enemy, is applied in this world, the faster we will have lasting peace, eternal peace:

Sun Jin Nim: "Each individual needs to connect their heart and mind to God's wave length. Only then can we settle Cheon Il Guk (Kingdom of God)." [5]

And what is God's wavelength which has to become our wavelength?

True Father: "As God looks upon us and loves us with the heart of a Parent, so each of us needs to look upon every other person and love all people with the heart of a parent." [6]

This of course includes people that almost everyone hates. But God does not hate them, neither do True Parents. And neither should we. Rather we should pray to God to forgive them, to guide and bless them.

True love moves history and the providence:

True Father: "Isn't the backbone of everything love? An eternal, unchanging love, unique love? Love that can move history? Love that penetrates history instead of being punished by history? Do you desire such a love? Don't you want it?" [7]

We all have the potential for such love. If we use this potential, then peace certainly starts with us.

Love from Bruno
