

## True Father: You can revolutionize yourself and stop being a person who draws a line

Dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in the spiritual world):

True Father: "Jesus said, "The Kingdom of God is within you." According to that statement, where does the Kingdom of God have to begin? It must begin within each person. All believers today, including ourselves, are longing to dwell in the Kingdom of Heaven. We must think, "Within me is the Kingdom of Heaven and, because of me, that Kingdom is possible." [1]

Already Jesus said that the Kingdom of God does not come with "signs to be observed." The Kingdom of God comes based on a spiritual revolution, a revolution of heart. This revolution started with True Parents who reached oneness in heart with God. But it cannot stop there. This revolution also has to happen in the hearts of all people, of each one of them. Each one of us has to revolutionize our hearts, aligning them with the heart of God, in our acting, speaking, thinking and loving:

True Father: "You can revolutionize yourself and stop being a person who draws a line." [2]

True Father: "We must become perfected individuals who match the standard of original, perfected individuality. To do this, we must continually revolutionize ourselves and fulfil our given responsibilities." [3]

We need to revolutionize ourselves in order to reach our original heart, our original mind. We need to resonate with God and True Parents:

True Mother: "As we work toward opening of the Cheon Il Guk era, you must be able to find the perfected, original mind while carrying out your own responsibilities." [4]

True Mother: " Our original mind needs to resonate with Heaven, and then the culture of heart will be realized." [5]

And then we have Heaven in our heart:

True Father: "We must possess heaven in our hearts and convey the heart of heaven to others." [6]

By revolutionizing ourselves in the ways of true love, God can use us more and more to move the providence forward in the direction of the ideal world. Thus each one of us can have a big influence in building God's world, eliminating all the suffering in this world:

True Father: " Everything can be burned up or washed away but because of you, there is a seed of hope on the earth. This seed will perpetuate and become like a tremendous vine, growing forever and ever. No power exists which can stop this hope. The roots of a tree can penetrate even a huge rock; in exactly the same way, the power of love will grow and take root over the whole earth." [7]

We can be part of this. Then because of us the Kingdom comes. Nothing can stop that, simply because the power of true love is immense. The world may be in confusion right now, but the turning point is close:

True Mother: "We can realize God's dream, the wish of humanity, which is one family of humanity under God. We can realize the dream of the kingdom of heaven on earth. And today is the day that dream begins. " [8]

And if in the middle of confusion we practice true love centered on God, then nothing can stand in our way:

True Father: "Even when the entire world is thrown into confusion, if your love does not change, or if you choose the path of loving others for their sake, then you can always be in control of any situation. Nothing can stand in your way. " [9]

All of us can create the Kingdom of God in our heart. There is not a single person who does not have the potential to revolutionize themselves. We simply have to realize our own potential of heart. We need to believe in ourselves. We need to realize that we all are created for greatness. We are sons and daughters of God, and have to feel deep in our heart what that really means:

Heung Jin Nim: "We don't stand up and say, "I'm the Son of God! I'm the Daughter of God!" Maybe in our minds we don't know that, but in our hearts we have to stand, and realize that that's true, and when we say it, feel it down to our toes!" [10]

Deep in our hearts we need to feel what it means to be a son or daughter of God, how powerful that really is.

And the more we revolutionize ourselves, the more we can spread the Kingdom of God:

Heung Jin Nim: "Everywhere you go, you must create the Kingdom of Heaven just as our Father does. I will be with you. The whole spirit world will be with you. The Kingdom of Heaven is in you, and you must let it out." [11]

Our True Parents came to build the Kingdom, and they need our support. The more we revolutionize ourselves, the more we can support them and create God's Kingdom, in spite of all the obstacles that are still in this world. God will be on our side, and His ideal will come to pass. How fast that happens, depends on each one of us. We can surprise God by revolutionizing ourselves faster than He expected.
