

Sun Jin Nim: If you are not perfect, it's ok, there is a growth period to all things

Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim (in the spiritual world):

True Father: "The person who ignores the value of each and every moment to love will lose what is truly precious." [1]

The purpose of our life on the earth is to perfect our love. We were born for just that:

True Father: "You are born as the princes and princesses of love. You must become kings and queens of love and create the kingdom of love. That is God's ideal and that is the true purpose for your being born. Human dignity and value is that great. We were born for the perfection of love. Do you follow?" [2]

Our days on the earth are certainly numbered, which means we do not have endless time to work on the growth of our heart and love. Every moment in our life becomes precious, as long we use this moment in God's ways, in the ways of true love, a love that loves the way God does:

Heung Jin Nim: "Do not waste time. Use time wisely. Your days on earth are surely numbered. Do you want to stay at the same level for the rest of your life? A lot of people waste their time because they do not understand God and they do not want to live according to God's standard. But you should not waste even a second. Use every second you have. When that second has ticked by, you have to be able to say you have grown a bit more." [3]

Many people do not even believe in God, let alone know God's standard of love. God's standard may seem challenging, but we have the potential to get there. We have the potential to love the way God does. God gave us this potential for a reason, that is for the purpose of us inheriting the very heart of God. And "inheriting" here means "developing" our heart by exercising it..

We need to ask the question: How does God love? What is God's love like?

True Father: "If you want to become a son/daughter of God you have to resemble God's heart. Since God's heart is planted in the world, you have to love the people of the world." [4]

How do we love all people of the world? We certainly cannot meet them all. But we can inherit the heart that God has for all of them, no matter if good or bad. And with this heart we can pray for all people in

the world, and with this heart we can encounter everyone we meet. With this heart we can even love those who seem unlovable.

With other words, we need to become True Parents ourselves, and meet people with the heart of True Parents, no matter who they may be. We need to work ourselves up to the level where we can meet even an enemy just as True Parents met Kim Il Sung in North Korea:

Sun Jin Nim: "She[True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [5]

True Mother: "God's dream for humankind is for everyone to become True Parents. God's dream is [for us] to become a visible God..." [6]

What can we do if we feel far away from such a standard? Certainly not give up:

Sun Jin Nim: "If you are not perfect, it's OK, there is a growth period to all things. Just practice and study with more sincerity; do not doubt yourself; do not doubt others; have faith in all, and you will get there." [7]

We need to make sure that we use our time wisely and never stop growing. Nobody else can do this for us:

True Father: "Stoppage of growth is equivalent to death. Who shall make you grow, who shall nurture you? You yourself will help yourself grow. You must grow every day." [8]

Our growth of heart and love is in our own hands. Therefore in whatever we are doing, we need to remember how precious every moment is for practicing love, for expanding our heart, thus getting closer to God every moment.

Love from Bruno
