Dear brothers and sisters!

Here again some Inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in the spiritual world):

True Father: "Seek to become that master of love. Program your life like that, and you will never be a loser." (1)

True Parents as well as Jesus have managed to become masters of love. We are requested to do the same. They are the pioneers and we just need to walk in their footsteps, standing on their foundation, especially on the foundation of the Blessing. Of course, we have to pioneer our own path in developing our heart. We are all unique, and the paths to maturity of heart are different from one person to the other:

True Father: "You must go and find the way to true love. I am the forerunner along this way and you are following.... This is a path which you have to go all by yourself. It is an internal path which is very lonely at times..." [2]

It can be very lonely, especially when we go through situations that nobody apart from us and God can really understand. In those situations we may wonder what to do. We may wonder which direction internally we need to take. We may feel lost. We may want to give up even, thinking there is no way out.

In such situations we always need to remember what true love is all about, what the characteristics of true

love are. And then we need to implement that in our situation. And that normally requires to break down walls in our heart. It may require to let go of self righteousness, arrogance and other aspects of fallen nature. We may have to train our heart to be ready to love and embrace unconditionally, no matter what and no matter whom, and to be ready to forgive and embrace, endless times, even those that seem not to deserve it.

We need to invite God into our heart to guide us through all the barriers we have in our heart that might hinder us from advancing fast. And we have the possibility to ask True Father, Jesus and Heung Jin Nim to guide us while trying to discover the right path internally. They can shed light on our inner path and help us to find the right direction internally, so that true love in our heart grows and grows, and we not get stuck at some point, stagnant:

Heung Jin Nim: "So you must, you must connect. Make every effort you can, but don't be afraid. Don't be afraid at all, just relax. I will help you. Just ask me to show you the way. Ask me to show you through the darkness of your own heart, through the barriers that you have there. I will help you." [3]

The way of heartistic growth may not always be a walk in the park, but:

True Father: "But knowing that you are moving toward the greatest treasure, you can have the greatest satisfaction going this way." [2]

It is indeed the greatest treasure that we can gain on this earth:

True Father: "Once the heart of God dwells within you, no matter how lonely you may be you will be filled and the universe will be filled. A person who is completely filled is a joyful person because he/she lacks nothing." [4]

And we can overcome many problems, many situations:

True Father: "We must find the original heart. That is more crucial than anything. If we focus on the heart we can go beyond anything in the world." [5]

And we can become true peace makers:

True Mother: "A person who has cultivated a True Parent's heart and a True Teacher's heart is a true Peacemaker." [6]
