

True Father: Without love, unity cannot be attained

Dear brothers and sisters,

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Without love, unity cannot be attained. Words alone are not enough to unite two different people into one... Then what is necessary for two people to be joined together as one, eternally? There must be love." [1]

In this world many people and nations are in conflict. Many think that by negotiations these conflicts can be solved. These conflicts, however, are basically based on selfishness and resentment, based on fallen nature. And as long as selfishness and resentment cannot be overcome, true peace cannot come.

Selfishness and resentment can only be overcome by true love, which includes living for the sake of others, even for the sake of the enemy or enemy nation

True Father: "Unification becomes possible only with God's love, a love that embraces enemy countries as well." [2]

True Father: "The true dispensation cannot appear on earth unless an individual, family, tribe and nation can practise the principle of loving their enemy. Until such a nation appears, you cannot talk about the

Kingdom of God on earth." [3]

God's Kingdom cannot come simply by peace negotiations or truces. True love must be involved. That applies to all conflicts and frictions in this world, for example to the conflict between North- and Southkorea:

True Father : "Even communist ideology is easily absorbed and disappears when it is placed in the midst of God's love. The problem until now was that we did not know this. Once we develop our hearts of love, North – South – Unification will be no problem at all." [4]

Through true love all barriers and walls in this world need to be broken down:

True Father: "Our Unification Church members have come to know that for restoration to come about and tear down these walls, we should develop a realm of heart such that ideal love can begin to flow through this world -- a world in which the seeds of fallen love were sown and have taken root." [5]

We are the ones that need to break down all the walls in the world by true love. We are the ones that have to bring a love into this world that others think is impossible. We have to bring a true love into this world, a love that loves even an enemy:

True Father: "The Unification movement is the movement to spread true love to the whole world." [6]

True Mother: "All of us desire to live in happiness in a world of peace. We can attain this dream. Let us forgive our enemies, love our neighbors as if they were our own flesh and blood, and unite for the sake of peace. Let us advance toward one world under our Heavenly Parent. Join me in marching courageously forward until the day all people can live as brothers and sisters, as one great family." [7]
