

Our original mind needs to resonate with Heaven. True Mother

Bruno Klotz

Dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Our original mind needs to resonate with Heaven and then the culture of heart will be realized." (1)

Without the fall of man this would have been realized everywhere:

True Father: "Man's ability to respond to the true love of God was killed due to the fall. People cannot even recognize God's true love, much less vibrate with it. The whole purpose of salvation is to restore that ability of human beings to vibrate with the love of God. Once the spiritual body of man can receive the vibration of God's love, his whole self will resound with it. His entire physical body will respond to God's stimuli. That would be the total satisfaction of love. Nothing could be more desired by anyone." (2)

In the world designed by God, everyone resonates with Heaven, and that means with God, with God's heart of true love that is. The resonance in such a world is perfect and unchanging. All people vibrate with God and among each other. To establish such a world True Parents have emerged, and they want us to vibrate with God's heart of true love just as they do:

True Father: "The Unification Church is the church of vibration, the vibration of true love. You did not come here for the sole purpose of singing "Happy Birthday" to True Parents. I don't want you to come for that. I want you to become somebody. Become a Moonie of true love vibration. From today, as a birthday gift take back with you the vibration of true love. You are starting to vibrate today for the sake of the world. " (3)

Meanwhile we have Heavenly Parents' Holy Community. It, too, must be filled with the vibration with the heart of God and True Parents, for the sake of the world, and consequently among each other as well.

And this community must expand and grow, until it encompasses the whole world, and until God's ideal is realized. Then all will be liberated and free to enjoy increasing happiness, on the earth as well as in the spiritual world:

True Father: "When you enter the realm of true love resonance, you do not need religion and you also do not need a savior. You are liberated. Everything is finished and done with." (4)

Love from Bruno
