

We do not need arms, we do not need knives. True Mother

Dear brothers and sisters!

Here again some inspiration based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "Abel must go into the satanic realm, make his showdown with God's love and when he is victorious he can return to God with Cain following him. In that way the younger gains the elder brother's position. Cain will happily take the position of younger brother and follow Abel to receive the love of God." (1)

Who is Abel? Who is Cain? Usually someone on God's side is seen as Abel, someone who is close to God and more or less resonates with the heart of God. Cain is usually seen as someone who is further away from God. Cain might not even believe in God or persecutes people on God's side. Both, neither Abel nor Cain, are perfect.

God's providence has the goal of bringing everyone into complete union with God's heart. So how can God bring people into union with Him? It is by using those who are already more on God's side. They are supposed to pull those closer to God, who are still further away.

How can that be done? Only through true love and sharing God's viewpoint, God's ideal, bringing spiritual light to the people. It can never be done by force:

True Father: "When you give yourself totally for the sake of Cain, then they will be moved and inspired by heart to naturally follow you, respect you and lead other people to you. Unless you have a true Cain you are not a true Abel. A true Cain is one who voluntarily comes forward and treats you as an elder brother/sister, not by force by his choice. Then your true Abel position is secure." (2)

Force never works. People cannot be forced to come closer to God:

True Father: "I cannot return to God until I love the children of my fiercest enemy. Then my responsibility will be accomplished. We have to subjugate our opponents, not by force but by love, the natural process of the universe. That is our ideology. This is the most profound ideology anywhere, the perfection of religion. There is no better philosophy than that one." (3)

Winning even the heart of enemies is indeed the greatest ideology of all. Nothing else can bring about the ideal world:

True Father: "Abel must show Cain the way by example. Love is the central element and Abel is supposed to love Cain more than anyone else. When Cain recognizes that Abel truly loves him more than anyone else does, then Cain will give up his false ambitions and arrogance and become obedient to Abel. Abel can pull Cain to his side by the magnetic force of love." (4)

The magnetic force of love is crucial. One aspect of true love is humility. Without humility we will not get very far:

True Mother: "If you practice the principle of being humble when dealing with others, people will come to you - in fact, they will flock to you! If you emphasize your pride and position, they will leave you and not respect you." (5)

But with true love and humility we can do anything:

True Father: "With true love there is nothing you cannot do, nothing you cannot make. You can love even your enemy. The power of true love is not to fight, not to force, but to win over someone naturally. There is no power stronger than this." (6)

That is indeed the greatest power. That power is greater and more efficient than guns and bombs:

True Mother: "We do not need arms, we do not need knives ... Let us practice true love. Let us spread true love. Let us spread the blessing!" (7)

Sun Jin Nim: "If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation. If we look at the state of the world today with the crises of the planet, global economic difficulties, and interreligious strife, we know that the world urgently needs True Parents' true love and blessing; now more than ever. Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." (8)

Love from Bruno
