

I am always busy, always tense, always impatient to do things. True Father

Dear brothers and sisters!

Here again some inspiration based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "Human beings are meant to be the princes and princesses of the universe. We should come to the point where we are able to say: "God is my Father, and what God owns, heaven and earth, is also mine." We should not rest until we possess all that belongs to God. To do this we need to resonate with God's heart. Then, motivated by God's heart, we can embrace everything in the universe, and Satan cannot claim us. Then, finally, heavenly fortune can move for us, the blessings of heaven and earth can dwell with us, and the garden of Eden can open to us. God, human beings and all things of creation will join in harmony to make paradise on earth. However, this is impossible without heart." (1)

All people were created to resonate with God's heart. Through the fall, all this became impossible. Since the fall, people resonate more with Satan than with God. Through Satan's lineage, Satan was able to control human beings to such an extent, that all of history was a history of mistrust and conflict, preventing humanity from reaching their dreams. At the same time God's dreams, that He had before creation, were shattered, too.

Finally True Parents have emerged, and God's lineage is being established on the earth. At the same time, Satan is losing ground, losing control.

Changing to God's lineage through the Blessing, however, does not mean to resonate with God's heart from the moment of the Blessing. It rather opens the door to get closer and closer to that resonance.

If we want to resonate with God, we need to understand God's dream, God's ideal of true love. We need to make that dream our own. That will inspire us to support God and True Parents in advancing the providence, so that God's dream will become reality in the shortest possible time. God needs people who

support His providential work, out of their own desire, out of their own heart, sharing God's dream and vision:

True Father: "Be not just a follower, not just a receiver of the command, but be one with God, one with Christ." (2)

The more we are "one with God, one with Christ", the more we share God's and True Parents' dream. Then we are no longer simply "followers", but pioneers of God's world, just as True Parents are. Then we are pushed by our dream, which then is the same as God's dream. Then we are resonating with God just as True Parents do:

True Father: "I do not wait for God's command. I am always busy, always tense, always impatient to do things. If you have that attitude you don't have to pray. What you are thinking and doing is more than prayer and you are in a position to have realized the prayer. Is that possible or impossible in the world of the heart?" (3)

Just as True Father always resonated and still resonates with God, so does our True Mother:

Sun Jin Nim: "She (True Mother) pours out her heart and soul, loving and giving her life-force to all living beings on earth and in heaven. She is out in front, leading the march toward victory for the sake of providence. She works with intense passion to complete this mission so all future generations can be liberated, and learn to live in joy, peace, and prosperity." (4)

The incredible passion of True Father and of True Mother originate in their dream, which is God's dream, the dream of a world where true love is everywhere. They resonate with God day in day out. God and True Parents want all of us to become just like that. And we all have the potential to get closer to that resonance day by day. To do that we have to nurture our inner self and ask God, True Father, Jesus and Heung Jin Nim to guide and educate our heart, so that it can resonate with God's heart:

True Mother: "Our original mind needs to resonate with Heaven and then the culture of heart will be realized." (5)

True Father: "Children of filial piety are those who feel a parental heart. It doesn't matter what worldly knowledge or position you have. The only thing that matters is whether you have the heart of heaven." (6)
