Dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "If you want to become a son/daughter of God you have to resemble God's heart. Since God's heart is planted in the world, you have to love the people of the world." (1)

The most important thing for all of us is that our heart resembles the heart of God. We may think that is not possible, but it is what God wanted from the very beginning. The fact that the fall happened, does not change God's ideal at all. People have not reached God's level in history, apart from Jesus. So people think the world as it is is just normal. They cannot image for anyone to reach the divine level of heart. They cannot imagine that we are designed for that.

Since it is so difficult for them to imagine what God's ideal looks like, they cannot image why Jesus came as the Messiah. They think he came to end up on the cross, and cannot see an alternative to that. They have a hard time to imagine that Jesus was supposed to establish God's first family on the earth. So they rather stick with their belief, that Jesus had to die on the cross.

The world celebrates Jesus' birthday without knowing the real Jesus. They are happy with Jesus having gone to the cross. They glorify his death, thus putting more and more nails into the heart of Jesus. And they have done that since 2000 years.

Finally True Father and True Mother have opened the way for us to reach God's level of love and heart. Things that could not be fulfilled at Jesus' time, are being fulfilled in our time.

We basically have a divine mission. We need to establish families of true love, who can embrace the whole world, as God does. We need to speak about the real mission of Jesus with everyone around us. And we need to give them the good news, that in our time, because of True Parents, God's ideal is being realized. That will definitely give great joy to Jesus as well as to God and True Parents:

True Mother: "You must educate those around you, your region, tribe, and your nation with a motherly heart and give them new life. This is so that, through the True Parents, they can receive Heavenly Parent's Blessing and rise to the position of God's true children. Our path lies in splendor before us. There is nothing to impede us. We are confident. We have nothing to fear. Why do you hesitate? I have said on several occasions that if you walk in unity with me, miracles will happen!" (2)

True Mother: "We truly live in the Last Days. You stand at the zenith of the providence. And now the time has come for us to unite as one, and together with True Mother, your nations and your people will find true salvation and blessings!" (3)

Merry Christmas!

Bruno
