

You can do what not even I could do! Jesus

Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Jesus:

True Mother: "The origin, motive and process of God's creation center on true love. No result can come without a process taking place, and the process of perfection is based upon the practice of true love. The perfection of mind and body is possible only when they both belong to the realm of true love." (1)

God wants human beings, His children, to inherit His heart, to embody His heart, to become His object partner of love. We are created to love God and to express God's love to other people on behalf of God. He wants us to spread God's true love everywhere we go:

True Father: "God wanted to create an environment in which love would spread everywhere. That is why He needs us to love." (2)

In all of history, nobody (apart from Jesus) could spread God's genuine quality of love. And Jesus' life was cut short. On the other hand, Satan was free to spread hatred and false love and false ideologies in all corners of the globe, throughout the course of history.

Under these difficult circumstances, God kept working to make it happen, that True Parents emerged, the only ones who were/are able to truly challenge Satan's kingdom, by the power of God's divine love. That was and is shocking to Satan indeed. Totally shocking! He wanted to prevent that by any means.

The True Parents alone, however, cannot bring about the downfall of Satan's kingdom and create the ideal world. They need all of us to get the job done. Each one of us is urgently needed. What do we need to do?

We need to walk in True Parents' footsteps, becoming their second selves, embodying God's heart and divine love and acting like God would act in this world:

True Father: "You are living God's life and whatever you do and wherever you go, your entire purpose is to live as God, giving His way of life and His love." (3)

This is the basic formula for the realization of God's Kingdom. We all need to embody the heart of God in this world, acting as God and True Parents would act, expressing true love to everyone around us, thus bringing about unity and harmony:

True Father: "You are not in the Unification Church to follow Rev. Moon but to become better than Father and unify everything". (4)

True Parents do not want us to just follow blindly like sheep, but become True Parents ourselves. Jesus expresses this clearly:

Jesus: " Do you realize no one else on earth could ever fulfill these things? You are being charged with something that nobody else has done. You must become True Parents. Yes, you must become True Parents! This is our Father's desire. Not that you follow him blindly as sheep, but that you take up his cross and you become True Parents. Yes, you have your youth, you have your vigor, you have your physical bodies. You can become True Parents!" (5)

This really shows what Jesus wants us to do. It shows that he sees our potential, as true sons and daughters of God and True Parents. He knows that we often do not believe in our own potential. And he is desperate for us to realize who we really are, not members of this or that, but true sons and daughters of the living, almighty God; people who can do the greatest job ever and establish God's Kingdom, together with God, True Father and True Mother.
