Dear brothers and sisters!

Here again some inspiration, based on the words of True Father, Sun Jin Nim and Heung Jin Nim (in the spirit world):

True Father: "We have to call together all people of conscience and deep faith and educate them to be the workers of true love of our eternal God, workers who can practice the true love of God and True Parents.

Regardless of age or gender, so many people throughout the world today are starving for true love. In other words, they are waiting for true people to emerge who are able to live for the sake of others." (1)

True Parents have emerged to spearhead God's movement of true love. This movement is challenged with creating a revolution of true love in a world that is starving for true love:

True Father: "In order to restore this tragic history back to its origin, a new revolution is necessary. This revolution cannot be accomplished by a political strategy, nor economic or social reform. More than anything else this revolution is only possible through the revolution of our fundamental consciousness. It should be a new revolution of love, centered on God's love." (2)

This revolution of love, of course, has to begin with each one of us:

True Father: "We must become perfected individuals who match the standard of original, perfected individuality. To do this, we must continually revolutionize ourselves and fulfil our given responsibilities." (3)

What does revolutionizing ourselves mean? It means that we need to advance internally, breaking down barriers of heart, breaking down concepts that are not in line with God. It means we should never come to the point that we do not see ourselves advancing internally:

True Father: "Stoppage of growth is equivalent to death. Who shall make you grow, who shall nurture you? You yourself will help yourself grow. You must grow every day." (4)

Our life on earth is our opportunity to advance in heart and love. If we need help, we can ask God, True Father, Heung Jin Nim, Jesus etc for help and guidance. They will show us the way:

Heung Jin Nim: "I will help you. Just ask me to show you the way. Ask me to show you through the darkness of your own heart, through the barriers that you have there. I will help you." (5)

The more we grow and mature, the more we can support True Mother in advancing the True Love revolution in our world:

Sun Jin Nim: "We are living in the midst of a Hyojeong revolution, led by True Mother. We are experiencing the amazing power of one united global family, victorious true sons and daughters of True Parents and Heavenly Parent!

Thank you, brothers and sisters, for being the light of Hyojeong hope, True Love, pure devotion, absolute faith, and for making Heavenly Parent's dream of Vision 2020 and Cheon Il Guk a reality!" (6)
