Dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim (in the spiritual world):

True Father: "For our fallen bodies to be free from the satanic world, we need to know absolutely that the invisible God is our ideal subject partner of true love, and we need to achieve the position of a second, visible God as His absolute object partners. Our minds and bodies must be united by means of the invisible God and by means of true love, and we must honor and respect our heart and conscience just as we honour and respect God Himself." (1)

The 3 Great Blessings are exactly about this, to achieve the level of heart of God, that means to become a visible God:

True Father: "You are living God's life and whatever you do and wherever you go, your entire purpose is to live as God, giving His way of life and His love." (2)

We need to be able to say that whoever sees us sees God. We need to express the heart of God wherever

we are:

Heung Jin Nim: "God wants to express His heart through your heart." (3)

As soon as everyone becomes a full expression of the heart of God, the Kingdom of Heaven is established. That is why the Kingdom of God does not come with a big bang, but with all people growing into spiritual maturity:

True Father: "The twenty-first century will be the era of True Parents, the era when people will mature spiritually through the development of heart, to the point that everyone will become True Parents." (4)

To get there we need to multiply goodness and true love in this world, thus transforming our surroundings. As goodness rises, evil will decline. And we will be true teachers and true peacemakers:

True Mother: "Whatever our professional field or vocation, we are called to set the example and in this way to teach others. As we become true teachers we will multiply goodness, and we will transform the world around us. A person who has cultivated a true parent's heart and a true teacher's heart is a true peacemaker."
